Moreover, HTH acknowledges and respects every individual's right to privacy. Unlawful discrimination, harassment, intimidation or bullying complaints shall be investigated in a manner that protects (to the greatest extent reasonably possible) the confidentiality of the parties and the integrity of the process. HTH cannot guarantee anonymity of the complainant. This includes keeping the identity of the complainant confidential. However, HTH will attempt to do so as appropriate. HTH may find it necessary to disclose information regarding the complaint/complainant to the extent necessary to carry out the investigation or proceedings, as determined by the Director or designee on a case-by-case basis.

HTH prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of unlawful discrimination, harassment, intimidation or bullying. Procedures

The following procedures shall be used to address complaints that allege that HTH has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

- **Step 1: Filing of Complaint**

Any individual, public agency, or organization alleging noncompliance by HTH may file a written complaint using the form attached hereto as Exhibit A, or in the case of an alleged violation of the Student Fees Policy, the form attached hereto as Exhibit B.

A complaint alleging unlawful discrimination, harassment, intimidation or bullying shall be initiated no later than six (6) months from the date when the alleged unlawful discrimination,

harassment, intimidation or bullying occurred, or six (6) months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination, harassment, intimidation or bullying. A complaint may be filed by a person who alleges that he/she personally suffered unlawful discrimination, harassment, intimidation or bullying or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation or bullying.

Pupil fee complaints shall be filed not later than one (1) year from the date the alleged violation occurred.

The complaint shall be presented to the Compliance Officer, who shall maintain a log of complaints received, providing each with a code number and date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, HTH staff shall assist him/her in the filing of the complaint.

- Step 2: Resolution Meeting

Within five (5) business days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of engaging in a Resolution Meeting with the CEO of HTH serving as mediator. If the complainant agrees to a Resolution Meeting, the compliance officer shall make arrangements for the same.

Before initiating the Resolution Meeting of an unlawful discrimination, harassment, intimidation or bullying complaint, the compliance officer shall ensure that all parties agree to make the CEO a party to related confidential information.

If the Resolution Meeting does not resolve the problem, the compliance officer shall proceed with his/her investigation of the complaint.

The use of a Resolution Meeting shall not extend HTH's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

- Step 3: Investigation of Complaint

The compliance officer is encouraged to hold an investigative meeting within five (5) business days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide HTH's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

HTH's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

- Step 4: Response

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of HTH's investigation and decision within sixty (60) days of HTH's receipt of the complaint.

HTH's decision shall be in writing and sent to the complainant. HTH's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include: (1) The findings of fact based on evidence gathered; (2) The conclusion(s) of law; (3) Disposition of the complaint; (4) Rationale for such disposition; (5) Corrective actions, if any are warranted; (6) Notice of the complainant's right to appeal HTH's decision within fifteen (15) days to the CDE and procedures to be followed for initiating such an appeal; (7) For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, notice that the complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies; and, (8) For unlawful discrimination, harassment, intimidation or bullying complaints arising under federal law such complaint may be made at any time to the U.S. Department of Education, Office for Civil Rights. If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of HTH's expectations. The report shall not give any further information as to the nature of the disciplinary action.

Appeals to the California Department of Education

If dissatisfied with HTH's decision, the complainant may appeal in writing to the CDE within fifteen (15) days of receiving HTH's decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of HTH's decision.

Upon notification by the CDE that the complainant has appealed HTH's decision, the Director or designee shall forward the following documents to the CDE:

1. A copy of the original complaint.
2. A copy of the decision.
3. A summary of the nature and extent of the investigation conducted by HTH, if not covered by the decision.
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by all parties and gathered by the investigator.
5. A report of any action taken to resolve the complaint.
6. A copy of HTH's complaint procedures.
7. Other relevant information requested by the CDE.

The CDE may directly intervene in the complaint without waiting for action by HTH when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists, including cases in which HTH has not taken action within sixty (60) days of the date the complaint was filed with HTH.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of HTH's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if HTH has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.

Exhibit B

HIGH TECH HIGH **STUDENT FEES POLICY** **PURSUANT TO AB 1575**

In order to be fully compliant with Assembly Bill 1575 (2012), High Tech High has adopted the following policies and procedures regarding student fees.

- 1) Students enrolled in High Tech High's schools shall not be required to pay a "pupil fee" for participation in any curricular or extracurricular activity which is "an integral component of public education".
 - a) "Curricular or extracurricular activity" means an activity offered by a school, school district, charter school or county office of education that constitutes an integral fundamental part of elementary and secondary education, including, but not limited to, curricular and extracurricular activities.
 - b) "Pupil fee" means a fee, deposit or other charge imposed on pupils, or a pupil's parents or guardians, in violation of Section 49011 and Section 5 of Article IX of the California Constitution, which require educational activities to be provided free of charge to all pupils without regard to their families' ability or willingness to pay fees or request special waivers, as provided for in Hartzell v. Connell (1984) 35 Cal.3d 899. A pupil fee includes, but is not limited to, all of the following:
 - i) A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
 - ii) A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, uniform or other materials or equipment.
 - iii) A purchase that a pupil is required to make to obtain materials, supplies, equipment or uniforms associated with an educational activity. High Tech High does not require pupils to purchase any instructional material for their use in school.
- 2) High Tech High does not use a "fee waiver" policy to make pupil fees permissible.
- 3) High Tech High does not intend to establish a two-tier educational system by requiring a minimal educational standard and also offering a second higher educational standard that pupils may only obtain through payment of a fee or purchase of additional supplies that the schools do not provide.
- 4) High Tech High does not offer course or credit privileges related to educational activities in exchange for money or donations of goods or services from a pupil or pupil's parents or guardians, nor shall the schools remove such credit or privileges for failure to make a donation.
- 5) Voluntary donations of funds or property or participation in fund-raising activities are encouraged and allowed, but such fund raising is completely voluntary.
- 6) Purely recreational activities outside of the normal school day may be subject to mandatory fees (e.g.

attending dances, drama performances). Such activities will never have a bearing upon the pupil's credit or academic standing and are not considered to be an integral part of the educational program.

- 7) Whereas the Education Code permits charging of fees for specific activities, High Tech High may implement those fees, but will comply with the restrictions placed upon the imposition of those fees. Such fees may include:
 - a) charges for student lunches (subject to free and reduced price meal program eligibility)
 - b) paying the replacement cost for books or supplies loaned to the student that the student fails to return, or that is willfully cut, defaced, or otherwise injured, up to an amount not to exceed \$10,000
 - c) fees for field trips and excursions in connection with courses of instruction or school related social, educational, cultural, or athletic activities, as long as no student is prevented from making the field trip or excursion because of lack of sufficient funds
 - d) charges for the rental or lease of personal property needed for school events, such as caps and gowns for graduation ceremonies
 - e) fees for school camp programs, so long as no student is denied the opportunity to participate because of nonpayment of the fee
 - f) reimbursement for the actual cost of duplicating public records, student records, or a prospectus of the school's curriculum
 - g) tuition fees charged to pupils whose parents are actual and legal residents of an adjacent foreign country or an adjacent state
 - h) tuition fees collected from foreign students attending a High Tech High school pursuant to an F-1 visa
 - i) fees for out-of-school child care services provided as a convenience for our families provided that no child is excluded due to inability to pay
- 8) Parents or guardians who believe that they are being charged a fee for anything that they believe is illegal under AB 1575 should contact the school's Director immediately to file a complaint under High Tech High's Uniform Complaint procedures.
- 9) Complaints will be investigated and resolved within sixty days of receipt of the complaint. If the complaint is resolved pursuant to an investigation, the school's Director shall issue a written decision stating the findings of fact and the reasons for the disposition of the complaint.
- 10) If a complaint is found to have merit, the school will reimburse all affected pupils, parents, or guardians.
- 11) If a complainant is not satisfied with the decision of the school's Director, the complainant may appeal to the State Superintendent of Public Instruction directly.

II. **Security Deposits or Other Payments for Materials or Equipment:**

- A security deposit or other payment was required to obtain materials or equipment.

Description of the Payment: include (1) the class or extracurricular activity, (2) details regarding how the security deposit or other payment was communicated, (3) the item of equipment or material for which a deposit or payment was required, and (4) the total amount of the deposit or payment.

Description of the required purchase: include (1) the class or extracurricular activity, (2) details regarding how the requirement to purchase the materials, supplies, or equipment was communicated, (3) the item required to be purchased, and (4) the total cost of the purchase.

IV. **Miscellaneous / Other Fees or Charges:**
