Dear Parents,

Beginning August 1, 2017 all High Tech High schools will use a single fee structure for before and aftercare services. In order to provide a safe and engaging after school care program for our students, fees paid by parents must cover a substantial portion of our program costs.

We must also have reasonable estimates of the number of children who will participate, so that we may be able to plan ahead for our staffing needs.

1. Payment Methods

   - Annual Plan

Families electing this option for the 2017-18 school year will be asked to make a monthly payment beginning September 1 that allows their children to participate every day that our schools are in session. The program is based on 175 academic days and admission to the program will be prorated monthly upon entrance.

   - Daily Rate

While our program is designed to serve families who need on-going child care provided by the school, we understand that emergency situations do arise where you may be unable to pick your child up within 15 minutes of dismissal. Should your child require supervision until a later time, a daily child care fee will be assessed and payment is due at the time that you pick up your child. There will be an allowance of two days per month.

2. Fees Information

   About Our Fees

Our fee schedule is shown on the following page. Significant discounts are provided for families with more than one student participating and for those children who are certified eligible for Free or Reduced Price Lunch.

Section 7: Before and Aftercare Program Policies

- The Before and Aftercare Programs are optional. Families are not required to participate; however, any students on campus 30 minutes before school, or 30 minutes past dismissal time must be enrolled and attending the program.

- Students are not allowed to leave the school site at any time during the Before and After Care Programs if not specifically under the supervision of our program staff. For the safety of the students, this policy is strictly enforced. A student leaving the school site without permission will be subject to discipline.

- The Programs provide snacks each day to all students who are participating.

- Parents/Guardians must make arrangements for students to be picked up no later than 6:00 PM. The school reserves the right to terminate aftercare services to any family who does not respect this policy.

- All students currently attending an HTH school are able to enroll and participate in the program.
Section 8: Parent/Guardian Signature

I understand that my child’s continued participation in the Before and Aftercare programs is conditioned upon making full payment on a timely basis for the services that my child receives. I understand that our school receives no financial support from the federal or state government for child care outside of school hours and must depend upon my payment of any fees due to sustain these services for my child.
