

High Tech Middle Chula Vista

School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Rod Buenviaje, School Director

Principal, High Tech Middle Chula Vista

About Our School

Rod Buenviaje is a proud member of the High Tech High learning community. He is one of the founding staff of the original High Tech High in Pt. Loma and taught mathematics there and at the High Tech High Chula Vista campus for 18 years. Rod is currently the director of High Tech Middle Chula Vista.

High Tech Middle Chula Vista is proud to serve our community and offer a rigorous, project-based approach to learning. At HTMCV, our curriculum is based on the HTH design principles of equity, personalization, authentic work, and collaborative design. Teachers, as curriculum designers, strive to create innovative project-based learning experiences that will engage our diverse group of students in complex, adult-world projects through which they will develop and apply skills and knowledge. Our classrooms are fully inclusive, as we want to help all students to reach their potential.

School Description and Mission Statement (School Year 2018—19)

As the newest middle school in the HTH family, High Tech Middle Chula Vista is proud to serve our community and offer a rigorous, project-based approach to learning. At HTMCV, our curriculum is based on the HTH design principles of common intellectual mission, adult world connection, and personalization. Teachers, as curriculum designers, strive to create innovative project-based learning experiences that will engage our diverse group of students in complex, adult-world projects through which they will develop and apply skills and know ledge. Our classrooms are fully inclusive, as we want to help all students to reach their potential.

All of our students participate in a yearly Exhibition Night, where their work is on display for the community, and they conduct Presentations of Learning at the end of each semester to demonstrate their understanding and growth. Each student also has a designated faculty advisor who offers academic, emotional, and social support through the three-year middle school journey. Students in all grades are on teaching teams which include Humanities and Integrated Math/Science for the full school year, and take semester-long exploratory classes in Art, Theatre, and Engineering& Design.

Our building, which we share with High Tech Elementary Chula Vista (HTECV), is designed to be a healthy, sustainable, and effective learning environment. The school itself is a learning tool for students, staff, and community members, with demonstration areas and signage to exhibit the benefits of high performance, environmentally-friendly design. Of particular note is the indoor air quality, room acoustics, and day lighting. Our school is one of the most energy efficient in the nation as well, with rooftop solar panels producing over 70% of our energy needs on an annualized basis. We are also proud to boast an edible garden with planting space for every student, and a fruit orchard, each integrated into the curriculum and managed entirely by students.

Student Enrollment by Grade Level (School Year 2017–18)

Grade Level	Number of Students
Grade 6	112
Grade 7	111
Grade 8	104
Total Enrollment	327

Last updated: 2/3/2019

Student Enrollment by Student Group (School Year 2017–18)

Student Group	Percent of Total Enrollment
Black or African American	3.1 %
American Indian or Alaska Native	0.9 %
Asian	2.1 %
Filipino	9.8 %
Hispanic or Latino	68.8 %
Native Hawaiian or Pacific Islander	0.6 %
White	10.4 %
Two or More Races	4.3 %
Other	0.0 %
Student Group (Other)	Percent of Total Enrollment
Socioeconomically Disadvantaged	56.6 %
English Learners	11.3 %
Students with Disabilities	14.1 %
Foster Youth	%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2016—17	School 2017—18	School 2018—19	District 2018—19
With Full Credential	16	16	16	
Without Full Credential	1	3	2	
Teachers Teaching Outside Subject Area of Competence (with full credential)	4	4	5	

Last updated: 2/3/2019

Teacher Misassignments and Vacant Teacher Positions

Indicator	2016—17	2017—18	2018—19
Misassignments of Teachers of English Learners	0	0	3
Total Teacher Misassignments*	4	4	8
Vacant Teacher Positions		0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements

HTENC is a 31,474 square foot, one-story, elementary school built in 20014. The building is in excellent condition, with maintenance and custodial services provided by on-site staff. There are no maintenance needs beyond those that are routine for a school of this size. A 157 Kw photovoltaic solar system was completed in December of 2016. This system, shared by HTHNC, will greatly reduce the school's energy bill.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)	43.0%	45.0%	52.0%	54.0%	48.0%	50.0%
Mathematics (grades 3-8 and 11)	24.0%	26.0%	30.0%	32.0%	37.0%	38.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 2/3/2019

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017—18)

CAASPP Assessment Results – English Language Arts (ELA)

Disaggregated by Student Groups, Grades Three Through Eight and Grade Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	318	312	98.11%	45.19%
Male	167	162	97.01%	37.65%
Female	151	150	99.34%	53.33%
Black or African American	--	--	--	
American Indian or Alaska Native	--	--	--	
Asian	--	--	--	
Filipino	31	31	100.00%	67.74%
Hispanic or Latino	219	215	98.17%	40.00%
Native Hawaiian or Pacific Islander	--	--	--	
White	33	31	93.94%	45.16%
Two or More Races	13	13	100.00%	53.85%
Socioeconomically Disadvantaged	182	179	98.35%	37.99%
English Learners	83	82	98.80%	31.71%
Students with Disabilities	44	38	86.36%	--
Students Receiving Migrant Education Services				
Foster Youth				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight and High School
Percentage of Students Meeting or Exceeding the State Standard**

Html.RenderAction("SarcDescription", new { sectionID = 80, cdscode = ViewBag.Cdscode });

Subject	School 2016–17	School 2017–18	District 2016–17	District 2017–18	State 2016–17	State 2017–18
Science (grades 5, 8, and high school)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Last updated: 2/3/2019

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018—19)

High Tech Middle Chula Vista's Parent Association has been instrumental in improving communication with parents and getting more parents involved in making decisions that positively affect student learning outcomes. The Parent Association holds monthly at the school site. Parents have an active voice at HTMCV. Parents have ample opportunities to volunteer in classrooms, plan and coordinate fundraising efforts to give money back into school programs by way of a grant program, foster a positive social environment for students from all communities, provide optimal nutrition to students during testing times throughout the year, and communicate to all members of the community via a parent e-newsletter and weekly news blast.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

	School	School	School	District	District	District	State	State	State
Rate	2015—16	2016—17	2017—18	2015—16	2016—17	2017—18	2015—16	2016—17	2017—18
Suspensions	5.8%	1.9%	4.6%	3.5%	3.1%	3.2%	3.7%	3.7%	3.5%
Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.1%

Last updated: 2/3/2019

School Safety Plan (School Year 2018—19)

HTMCV updates its safety practices yearly and the safety plan is on file at the front desk and in each classroom. All students practice evacuation procedures multiple times each year. School evacuation maps are strategically located throughout the school. The safety plan includes addresses prevention, response, and recovery related to emergencies.

Prevention: Prevention programs are the first component in an integrated school safety plan. The purpose of the program is to create a safe school environment that supports academic achievement. These programs address a variety of issues to include violence/substance abuse and threat assessment. HTMCV’s primary goal is to prevent emergencies.

Response: Some emergencies or disasters cannot be prevented. In those cases the second component, emergency response and operations plans are in place to insure an effective response. The school will minimize the impact of an emergency or disaster. It is important for all involved response entities to coordinate and plan their activities in advance. This will minimize confusion and enhance the response.

Recovery: HTMCV is prepared to assist students and staff in their emotional recovery from an emergency. We consult with outside partners in counseling and emotional support services.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Secondary) (School Year 2015—16)

Subject	Average Class Size	Number of Classes * 1-20	Number of Classes * 21-32	Number of Classes * 33+
English	26.0		8	
Mathematics	26.0		8	
Science				
Social Science				

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Average Class Size and Class Size Distribution (Secondary) (School Year 2016—17)

Subject	Average Class Size	Number of Classes * 1-20	Number of Classes * 21-32	Number of Classes * 33+
English	26.0		8	
Mathematics	26.0		8	
Science				
Social Science				

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Average Class Size and Class Size Distribution (Secondary) (School Year 2017—18)

Subject	Average Class Size	Number of Classes * 1-20	Number of Classes * 21-32	Number of Classes * 33+
English	27.0		8	
Mathematics	27.0		8	
Science				
Social Science				

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2017—18)

Title	Number of FTE* Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor		
Counselor (Social/Behavioral or Career Development)		N/A
Library Media Teacher (Librarian)		N/A
Library Media Services Staff (Paraprofessional)		N/A
Psychologist		N/A
Social Worker		N/A
Nurse		N/A
Speech/Language/Hearing Specialist		N/A
Resource Specialist (non-teaching)	3.0	N/A
Other	4.0	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Last updated: 2/3/2019

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2016—17)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$9778.0	\$1977.0	\$7801.0	\$57004.0
District	N/A	N/A	\$6754.0	--
Percent Difference – School Site and District	N/A	N/A	--	--
State	N/A	N/A	\$7125.0	--
Percent Difference – School Site and State	N/A	N/A	--	--

Note: Cells with N/A values do not require data.

Last updated: 2/3/2019

Types of Services Funded (Fiscal Year 2017—18)

HTMCV offers elective courses, known as x-block where students have opportunities to get involved with activities such as technology and multimedia, football, soccer, rock climbing, exploring other cultures, and academic coaching for struggling students. Students are also able to go on field trips and camps.

Last updated: 2/3/2019

Professional Development

HTMCV's current director works closely with Larry Rosenstock to ensure only the highest instructional quality. HTMCV has hired a diverse group of teachers. They are a mix of master teachers, newly trained teachers, and credentialed individuals from industry with strong content knowledge. The schools team approach to teaching will make the best use of their varied levels of content knowledge and teaching experience.

Faculty members participate in ongoing professional development. It is incorporated into each teacher's work year, per their contract, and takes multiple forms.

Staff days: Veteran staff return to school 8 days before school starts. There are also 6 staff days throughout the year plus 2 additional staff days at the end of the year. Staff days are an opportunity for teachers to learn from one another, built on the belief that "we have a lot of expert knowledge right here in our building."

New Teacher Odyssey: Prior to the 8 staff days for veteran teachers, teachers new to HTMCV participate in a 7 day "Odyssey." During the Odyssey, HTMCV teaching methods are modeled and teachers experience project based learning as learners themselves.

AM: Teachers arrive one hour before school starts to engage in collegial dialogue. Meetings occur at least 3 days per month. In practice, these meetings serve as a theoretical context for veteran and new teachers to reflect on and refine their day-to-day practice. These meetings enable teachers to collaborate, analyze data, plan projects, and tackle dilemmas.

Collegial coaching: HTMCV utilizes "collegial coaching", a peer observation protocol, to encourage reflection. Collegial coaching is done by partnering teachers together who meet throughout a semester to discuss and observe each other's teaching. Teachers set up a pre-meeting to discuss what they are interested in knowing, observe each others' classes, discuss what they saw and make suggestions for improvement.

It is worth noting that, as part of the HTMCV charter management organization, HTMCV teachers receive additional professional development support through the HTH Credential Program and the HTH Graduate School of Education.
