

High Tech Elementary Chula Vista

School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Ms. Marquita Griffith, School Director

Principal, High Tech Elementary Chula Vista

About Our School

Marquita believes that all students, no matter their background or circumstance should be given access to high-quality education that prepares them for the world outside our classroom doors. When students are prepared academically, socially and emotionally to be active members of their community, we help to dismantle systemic educational inequities.

Marquita was born in Detroit, Michigan and completed her degree in Elementary Education at Michigan State University. As an educator, she has 12 years of teaching experience in grades K-4 as well as experience as a literacy coach, mentor teacher, and classroom management coach. She has been with HTECV for the last three years teaching 1st grade and kindergarten.

As director Marquita is looking forward to using all that she's learned from her experience and training to help facilitate learning opportunities for teachers and students this school year. In her spare time, she enjoys listening to music and dancing with her family and friends.

School Description and Mission Statement (School Year 2019—20)

Launched by an industry and educator coalition, High Tech High is designed to immerse students in a rigorous learning environment that engages their interests in the fields of math, science and engineering. High Tech High is a small, diverse learning community. HTH is founded on three design principles: personalization, adult-world connection, and a common intellectual mission. Innovative features include performance-based assessment, daily shared planning time for staff, state-of-the-art technical facilities for project-based learning, internships for students, and close links to the high tech workplace. The mission of High Tech High is to provide students with rigorous and relevant academic and workplace skills, preparing its graduates for rewarding lives in our increasingly technological society.

High Tech High was built on a culture of community and personalization. We recognize that students with different learning needs, family backgrounds and personal interests require individually crafted support and planning. The student-faculty ratio at High Tech High is 23:1, and each student has an advisor who remains constant throughout the four years of school. High Tech High's curriculum is built upon real project work by situating students directly in workplaces, by bringing industry specialists into the school, and by fostering relationships between students and mentors. A coherent intellectual mission is reflected in the emphasis on the use of technology as a tool and the relationship of learning to careers. High Tech High believes that all students and adults should be treated with dignity and respect. This culture embraces and promotes a positive learning environment where all students abide by a code of conduct.

Student Enrollment by Student Group (School Year 2018—19)

Student Group	Percent of Total Enrollment
Black or African American	3.50 %
American Indian or Alaska Native	0.30 %
Asian	2.00 %
Filipino	10.50 %
Hispanic or Latino	70.80 %
Native Hawaiian or Pacific Islander	%
White	11.00 %
Two or More Races	2.00 %
Student Group (Other)	Percent of Total Enrollment
Socioeconomically Disadvantaged	61.00 %
English Learners	17.80 %
Students with Disabilities	13.50 %
Foster Youth	%
Homeless	1.50 %

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017—18	School 2018—19	School 2019—20	District 2019—20
With Full Credential	23	25	26	
Without Full Credential	2	1	1	
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	1	0	

Last updated: 1/23/2020

Teacher Misassignments and Vacant Teacher Positions

Indicator	2017—18	2018—19	2019—20
Misassignments of Teachers of English Learners	2	3	3
Total Teacher Misassignments*	2	4	3
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
 * Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements

HTECV is a 60,974 square foot, two-story, building with HTMCV built in 2014. The building is in excellent condition, with maintenance and custodial services provided by on-site staff. There are no maintenance needs beyond those that are routine for a school of this size. A 104 Kw photovoltaic solar system was completed in September of 2016 that is shared with two schools.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	49.0%	54.0%	54.0%	56.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	39.0%	50.0%	32.0%	35.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/23/2020

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2018—19)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	214	213	99.53%	0.47%	54.46%
Male	112	111	99.11%	0.89%	50.45%
Female	102	102	100.00%	0.00%	58.82%
Black or African American	--	--	--	--	
American Indian or Alaska Native					
Asian	--	--	--	--	
Filipino	24	24	100.00%	0.00%	79.17%
Hispanic or Latino	155	154	99.35%	0.65%	51.30%
Native Hawaiian or Pacific Islander					
White	18	18	100.00%	0.00%	27.78%
Two or More Races	--	--	--	--	
Socioeconomically Disadvantaged	129	128	99.22%	0.78%	42.97%
English Learners	71	70	98.59%	1.41%	37.14%
Students with Disabilities	35	34	97.14%	2.86%	35.29%
Students Receiving Migrant Education Services					
Foster Youth					
Homeless	--	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Last updated: 1/23/2020

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2018—19)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	214	212	99.07%	0.93%	49.53%
Male	112	111	99.11%	0.89%	53.15%
Female	102	101	99.02%	0.98%	45.54%
Black or African American	--	--	--	--	
American Indian or Alaska Native					
Asian	--	--	--	--	
Filipino	24	24	100.00%	0.00%	83.33%
Hispanic or Latino	155	153	98.71%	1.29%	42.48%
Native Hawaiian or Pacific Islander					
White	18	18	100.00%	0.00%	27.78%
Two or More Races	--	--	--	--	
Socioeconomically Disadvantaged	129	127	98.45%	1.55%	39.37%
English Learners	71	70	98.59%	1.41%	32.86%
Students with Disabilities	35	33	94.29%	5.71%	33.33%
Students Receiving Migrant Education Services					
Foster Youth					
Homeless	--	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2018—19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
5	21.60%	20.30%	47.30%

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/23/2020

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019–20)

High Tech Elementary Chula Vista’s Parent Association has been instrumental in improving communication with parents and getting more parents involved in making decisions that positively affect student learning outcomes. The Parent Association holds monthly at the school site. Parents have an active voice at HTECV. Parents have ample opportunities to volunteer in classrooms, plan and coordinate fundraising efforts to give money back into school programs by way of a grant program, foster a positive social environment for students from all communities, provide optimal nutrition to students during testing times throughout the year, and communicate to all members of the community via a parent e-newsletter and weekly news blast.

State Priority: Pupil Engagement

Last updated: 1/23/2020

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2015–16	District 2015–16	State 2015–16
Dropout Rate	--	--	9.70%
Graduation Rate	--	--	83.80%

Indicator	School 2016–17	School 2017–18	District 2016–17	District 2017–18	State 2016–17	State 2017–18
Dropout Rate	--	--	1.10%	0.40%	9.10%	9.60%
Graduation Rate	--	--	96.30%	96.70%	82.70%	83.00%

For the formula to calculate the 2016–17 and 2017–18 adjusted cohort graduation rate, see the 2018–19 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

Last updated: 1/23/2020

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

Rate	School 2016—17	School 2017—18	School 2018—19	District 2016—17	District 2017—18	District 2018—19	State 2016—17	State 2017—18	State 2018—19
Suspensions	1.90%	2.20%	1.50%	3.10%	3.20%	4.00%	3.60%	3.50%	3.50%
Expulsions	0.00%	0.00%	0.00%	0.00%	0.00%	0.00%	0.10%	0.10%	0.10%

School Safety Plan (School Year 2019—20)

High Tech Elementary Chula Vista's Parent Association has been instrumental in improving communication with parents and getting more parents involved in making decisions that positively affect student learning outcomes. The Parent Association holds monthly at the school site. Parents have an active voice at HTECV. Parents have ample opportunities to volunteer in classrooms, plan and coordinate fundraising efforts to give money back into school programs by way of a grant program, foster a positive social environment for students from all communities, provide optimal nutrition to students during testing times throughout the year, and communicate to all members of the community via a parent e-newsletter and weekly news blast.

HTECV updates its safety practices yearly and the safety plan is on file at the front desk and in each classroom. All students practice evacuation procedures multiple times each year. School evacuation maps are strategically located throughout the school. The safety plan includes addresses prevention, response, and recovery related to emergencies.

Prevention: Prevention programs are the first component in an integrated school safety plan. The purpose of the program is to create a safe school environment that supports academic achievement. These programs address a variety of issues to include violence/substance abuse and threat assessment. HTECV's primary goal is to prevent emergencies.

Response: Some emergencies or disasters cannot be prevented. In those cases the second component, emergency response and operations plans are in place to ensure an effective response. The school will minimize the impact of an emergency or disaster. It is important for all involved response entities to coordinate and plan their activities in advance. This will minimize confusion and enhance the response.

Recovery: HTECV is prepared to assist students and staff in their emotional recovery from an emergency. We consult with outside partners in counseling and emotional support services.
