

High Tech High North County

2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	High Tech High North County
Street	1420 San Marcos Blvd.
City, State, Zip	San Marcos, CA , 92078-4017
Phone Number	(760) 759-2700
Principal	Joseph Davidson, Director
Email Address	Joseph Davidson, Director
School Website	http://www.hightechhigh.org
County-District-School (CDS) Code	37764710114694

2022-23 District Contact Information

District Name	SBC - High Tech High
Phone Number	(619) 243-5014
Superintendent	Kaleb Rashad
Email Address	krashad@hightechhigh.org

2022-23 School Overview

About Our School

Joseph Davidson is the Director of High Tech High North County. His experience as a leader and lifelong learner has been collected from his service in a number of enrollment, recruitment and academic advisory leadership roles. A native of Seattle, Washington, Joseph earned his Bachelor of Arts degree from Washington State University and a master's degree in educational leadership from the HTH Graduate School of Education. When he's not engaged in the work, Joseph loves spending time with his wife and daughter, traveling, enjoying live music, creative writing, and enjoying San Diego.

Launched by an industry and educator coalition, High Tech High North County is designed to immerse students in a rigorous learning environment that engages their interests in the fields of math, science and engineering. High Tech High North County is a small, diverse learning community with a current enrollment of 411 students. HTHNC is founded on four design principles: equity, personalization, authentic work, and collaborative design. Innovative features include performance-based assessment, daily shared planning time for staff, state-of-the-art technical facilities for project-based learning, internships for students, and close links to the high tech workplace. The mission of HTH is to provide students with rigorous and relevant academic and workplace skills, preparing its graduates for rewarding lives in our increasingly technological society. High Tech High North County was built on a culture of community and personalization. We recognize that students with different learning needs, family backgrounds and personal interests require individually crafted support and planning. The student-faculty ratio at High Tech High North County is 23:1, and each student has an advisor who remains constant throughout the four years of school. High Tech High North County's curriculum is built upon real project work by situating students directly in workplaces, by bringing industry specialists into the school, and by fostering relationships between students and mentors. A coherent intellectual mission is reflected in the emphasis on the use of technology as a tool and the relationship of learning to careers. High Tech High North County believes that all students and adults should be treated with dignity and respect. This culture embraces and promotes a positive learning environment where all students abide by a code of conduct.

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	115
Grade 10	111
Grade 11	101
Grade 12	93
Total Enrollment	420

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	47.9
Male	52.1
American Indian or Alaska Native	0.0
Asian	0.7
Black or African American	0.5
Filipino	0.2
Hispanic or Latino	52.6
Native Hawaiian or Pacific Islander	0.2
Two or More Races	2.4
White	11.2
English Learners	8.3
Foster Youth	0.0
Homeless	0.7
Migrant	0.7
Socioeconomically Disadvantaged	43.3
Students with Disabilities	17.4

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	17.50	83.33	122.80	80.31	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	8.60	5.63	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	1.50	7.14	8.10	5.31	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.50	7.14	11.80	7.76	12115.80	4.41
Unknown	0.50	2.38	1.50	0.98	18854.30	6.86
Total Teaching Positions	21.00	100.00	152.90	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	
Misassignments	1.50	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	1.50	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	1.50	
Local Assignment Options	0.00	
Total Out-of-Field Teachers	1.50	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	4.60	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.00	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Year and month in which the data were collected

December 2022

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	High Tech High North County uses a wide variety of resources that enable teachers to differentiate instruction to meet the needs of each student. Among them include online adaptive textbooks, novels, academic journals, primary resources, digital tools along with others. In addition, HTHNC students publicize much of their work online at http://www.hightechhigh.org/projects		0%
Mathematics	High Tech uses a wide variety of resources that enable teachers to differentiate instruction to meet the needs of each student. Science Laboratory Equipment (grades 9-12)	Science laboratory equipment is available to students enrolled in laboratory science courses in grades 9–12.		0%

School Facility Conditions and Planned Improvements

HTHNC is a 46,426 square foot, two-story, high school built in 2009. The building is in excellent condition, with maintenance and custodial services provided by on-site staff. There are no maintenance needs beyond those that are routine for a school of this size. A 157 Kw photovoltaic solar system was completed in December of 2016 on the adjacent HTENC Building. This system, shared by HTENC, will greatly reduce the school's energy bill. The two large HVAC package units on the roof were replaced in January of 2020.

X			

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	75	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	36	N/A	28	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	98	85	86.73	13.27	75.29
Female	48	42	87.50	12.50	83.33

Socioeconomically Disadvantaged	41	36	87.80	12.20	63.89
Students Receiving Migrant Education Services	0	0	0.00	0.00	0.00
Students with Disabilities	19	12	63.16	36.84	33.33

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

2021-22 Career Technical Education Programs

High Tech High North County offers career technical courses as an integrated part of HTH graduation requirements. Students also elect to participate in internships in various fields within CTE.

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	204
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	100.00
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	98.90

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 9	90.43	91.3	91.3	93.04	93.91

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

High Tech High North County's Parent Association has been instrumental in improving communication with parents and getting more parents involved in making decisions that positively affect student learning outcomes. The Parent Association holds monthly meetings at the school site. Parents have an active voice at HTHNC. Parents have ample opportunities to volunteer in classrooms, plan and coordinate fundraising efforts to give money back into school programs by way of a grant program, foster a positive social environment for students from all communities, provide optimal nutrition to students during testing times throughout the year, and communicate to all members of the community via a parent e-newsletter and weekly news blast.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate		3.8	1.1		6.9	0.9		8.9	7.8
Graduation Rate		96.3	96.8		93.1	96.3		84.2	87

2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	95	92	96.8
Female	46	45	97.8
Male	49	47	95.9
American Indian or Alaska Native	--	--	--
Asian	--	--	--
Black or African American	--	--	--

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	3.88	2.73	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	0.00	3.67	0.14	3.56	0.20	3.17
Expulsions	0.00	0.46	0.00	0.05	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	3.67	0.46
Female	0.48	0.00
Male	6.61	0.88
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	4.41	0.44
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	3.70	0.00
White	3.38	0.68
English Learners	8.57	2.86
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	4.74	1.05
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	7.69	0.00

2022-23 School Safety Plan

HTHNC reviews and updates its Comprehensive School Safety Plan (“CSSP”) and Confidential Site Emergency Response Plan (“SERP”) annually.

The CSSP is shared with students and families online via the HTH website at www.hightechhigh.org. The CSSP and SERP are shared with staff at the beginning of the school year, and the emergency policies and practices outlined in the CSSP and SERP are shared with students throughout the year during practice drills.

The plan includes policies and procedures addressing topics such as: disaster preparedness; crisis response; mental and physical health; earthquake emergencies; school learning environment; discipline, suspension, and/or expulsion; hate crime reporting; child abuse reporting; release of a pesticide or toxic substance; and more.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	25	4	12	
Mathematics	20	8	12	
Science	26		4	
Social Science	27		12	

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	26	1	15	
Mathematics	21	8	12	
Science	26	1	15	
Social Science	26	1	15	

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	7	11	
Mathematics	19	10	12	
Science	25	5	10	
Social Science	22	9	10	

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	420

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	6.0

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$13729	\$3460	\$10270	\$64,099
District	N/A	N/A		
Percent Difference - School Site and District	N/A	N/A		
State	N/A	N/A	\$6,594	\$85,368
Percent Difference - School Site and State	N/A	N/A	43.6	-28.5

2021-22 Types of Services Funded

High Tech High North County offers a college preparatory curriculum where all students take UC A-G coursework in preparation for college admission. During these courses, all students have access to technology to complete their school work. In addition, students enroll in X Block, where they have opportunities to get involved with activities such as technology and multimedia, football, soccer, rock climbing, exploring other cultures, and academic coaching for struggling students. In addition, students are able to go on field trips and attend camps and retreats. The school also supports an academic internship program.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	0
--	---

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	0

Professional Development

Professional development is an important facet at HTH schools. Dedicated time to hone one's teaching practice is incorporated into each teacher's work year, per their contract, and takes multiple forms:

Staff days: Veteran staff return to school 8 days before school starts. There are also 5 staff days throughout the year plus 2 additional staff days at the end of the year. Staff days are an opportunity for teachers to learn from one another, built on the belief that "we have a lot of expert knowledge right here in our building."

New Teacher Odyssey: Prior to the 8 staff days for veteran teachers, teachers new to HTH participate in a 5 day "Odyssey." During Odyssey, teachers experience project based learning as learners themselves, engaging in a Project "Slice"; a shortened version of a project with the key components.

Weekly Meetings: Teachers arrive one hour before school starts to engage in collegial dialogue. Meetings occurs at least 3 days per month. In practice, these meetings serve as a theoretical context for veteran and new teachers to reflect on and refine their day-to-day practice. These meeting enable teachers to collaborate, analyze data, plan projects, and tackle dilemmas.

Teachers also meet for extended half-day professional development in the afternoon.

It is worth noting that, as part of the HTH charter management organization, HTH teachers receive additional professional development support through the HTH Credential Program and the HTH Graduate School of Education.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	15	15	15
