

High Tech Middle Media Arts

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	High Tech Middle Media Arts
Street	2230 Truxtun Rd., 2nd Fl.
City, State, Zip	San Diego, CA , 92106-6125
Phone Number	(619) 398-8640
Principal	David Gillingham, Director
Email Address	dgillingham@hightechhigh.org
School Website	http://www.hightechhigh.org
County-District-School (CDS) Code	37 68338 0107573

2023-24 District Contact Information

District Name	High Tech Middle Media Arts
Phone Number	(619) 725-8000
Superintendent	Lamont Jackson
Email Address	ljackson@sandi.net

2023-24 School Description and Mission Statement

About Our School

David Gillingham is the Director of High Tech Middle Media Arts. He is extremely passionate about designing, making and exploring the unknown. He spent 3 years working as a low voltage electrician, during which time he developed a great adoration of building, tinkering, and problem solving. He believes that the universe is an untapped well of knowledge just waiting to be consumed and looks forward to inspiring that enthusiasm for learning in every student he encounters.

He came to HTM in May of 2011 and became the Extended Services Director. He began his first year teaching in 7th grade in 2013, teaching math and life science. His favorite project was when his students researched animals in captivity, designed Zoo enclosures for those animals and their natural habitats, and presented those designs to Architects at the San Diego Zoo. The next year, he taught 8th grade math and physics and was ecstatic to work with some of the same students. Building on their success from 7th grade, his students hosted an Air Pressure Carnival and constructed steel Marble Roller Coasters that demonstrated properties of motion. He also has co-directed the Summer Bridge Program for incoming 6th graders for the last 5 years. He then served two years as the Dean of Students at High Tech Middle Media Arts, where he supported the development of a positive school culture through fostering meaningful relationships. Now as the Director, Dave is constantly working with his colleagues to ensure all of our students have access to the highest quality education and best experience possible at HTMMA.

Before coming to High Tech High, David was the after school program director at Francis Parker Lower School, working there for 6 years, during which time he grew to understand the value of building relationships in an educational setting. David graduated Magna Cum Laude from National University in 2010 with a Bachelor's Degree in mathematics and later obtained his single subject teaching credential in mathematics and science from High Tech High Graduate School of Education. In the spring of 2017 David completed his Masters in Education in School Leadership through the High Tech High Graduate School of Education. David also recently completed his preliminary Administrative Credential through the San Diego County Office of Education. He has traveled Paris, Mexico, safaried in South Africa, and survived driving on the streets of Italy. In his free time, he enjoys boogie boarding at the beach, playing the drums and listening to music and working on his golf handicap!

2023-24 School Description and Mission Statement

Mission Statement

Launched by an industry and educator coalition, High Tech Middle Media Arts is designed to immerse students in a rigorous learning environment that engages their interests in the fields of math, science and engineering. High Tech Middle Media Arts is a small, diverse learning community with a current enrollment of 339 students. HTMMA is founded on four design principles: equity, personalization, authentic work, and collaborative design. Innovative features include performance-based assessment, daily shared planning time for staff, state-of-the-art technical facilities for project-based learning, internships for students, and close links to the high tech workplace. The mission of HTH is to provide students with rigorous and relevant academic and workplace skills, preparing its graduates for rewarding lives in our increasingly technological society. High Tech Middle Media Arts was built on a culture of community and personalization. We recognize that students with different learning needs, family backgrounds and personal interests require individually crafted support and planning. The student-faculty ratio at High Tech Middle Media Arts is 22:1, and each student has an advisor who remains constant throughout the four years of school. High Tech Middle Media Arts's curriculum is built upon real project work by situating students directly in workplaces, by bringing industry specialists into the school, and by fostering relationships between students and mentors. A coherent intellectual mission is reflected in the emphasis on the use of technology as a tool and the relationship of learning to careers. High Tech Middle Media Arts believes that all students and adults should be treated with dignity and respect. This culture embraces and promotes a positive learning environment where all students abide by a code of conduct.

HTMMA offers a fun yet challenging, technologically-rich, project-based learning environment for 6th to 8th graders. Diverse groups of students collaborate to solve problems, complete tasks, and CREATE. The walls boast student-crafted projects, and provide a small glimpse into the creative minds of our students and teachers. At HTMMA, teachers design the project-based curriculum. They focus on personalization, tapping into student interests to make learning relevant and developing 21st century skills such as critical thinking, effective communication, deep content know ledge, collaboration, and creativity. Each year, students team with a humanities teacher, a math/science teacher, and a Fine Art, Drama, or Multimedia teacher.

In early spring, HTMMA students participate in a unique two-week intensive course called Intersession, where teachers engage students in a topic about which they are passionate. Previous courses have included engineering and physics, oceanography, theater productions, service learning projects, space exploration, backpacking, and much more.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 6	112
Grade 7	118
Grade 8	111
Total Enrollment	341

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	47.2%
Male	52.8%
American Indian or Alaska Native	0.3%
Asian	3.8%
Black or African American	5.3%
Filipino	2.3%
Hispanic or Latino	49.9%
Native Hawaiian or Pacific Islander	0.6%
Two or More Races	10.3%
White	27.6%
English Learners	7.3%
Socioeconomically Disadvantaged	38.7%
Students with Disabilities	17.6%

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	12.00	80.00	5313.50	88.64	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	51.00	0.85	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	2.00	13.33	191.10	3.19	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.00	6.67	194.90	3.25	12115.80	4.41
Unknown	0.00	0.00	243.90	4.07	18854.30	6.86
Total Teaching Positions	15.00	100.00	5994.60	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	8.90	64.26	5336.60	88.47	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	66.90	1.11	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	2.00	14.30	219.20	3.64	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	219.20	3.63	11953.10	4.28
Unknown	3.00	21.44	189.70	3.15	15831.90	5.67
Total Teaching Positions	13.90	100.00	6031.80	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	2.00	2.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	2.00	2.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	1.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	1.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	12.7	12.1
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

School Facility Conditions and Planned Improvements

HTMMA occupies the second floor of a 91,140 square foot, three story building that was originally built in 1967+/-, but was completely renovated in 2005. The building is in excellent condition, with maintenance and custodial services provided by on-site staff. There are no maintenance needs beyond those that are routine for a school of this size. A 70 Kw photovoltaic system was added to the roof in 2014. LED lighting and other energy upgrades were implemented in 2016.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	43	43	51	52	47	46
Mathematics (grades 3-8 and 11)	22	28	39	40	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	332	327	98.49	1.51	42.51
Female	158	157	99.37	0.63	47.77

Foster Youth	0	0	0	0	0
Homeless	0	0	0	0	0
Military	--	--	--	--	--
Socioeconomically Disadvantaged	137	135	98.54	1.46	32.59
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	62	58	93.55	6.45	18.97

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	332	326	98.19	1.81	27.69
Female	158	156	98.73	1.27	24.36
Male	174	170	97.70	2.30	30.77
American Indian or Alaska Native	--	--	--	--	--
Asian	14	13	92.86	7.14	30.77

Socioeconomically Disadvantaged	137	135	98.54	1.46	19.40
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	62	58	93.55	6.45	14.04

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	16	14	87.50	12.50	7.14

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 7	97	98	98	97	97

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

High Tech Middle Media Arts' Parent Association has been instrumental in improving communication with parents and getting more parents involved in making decisions that positively affect student learning outcomes. The Parent Association holds monthly meetings at the school site. Parents have an active voice at HTMMA. Parents have ample opportunities to volunteer in classrooms, plan and coordinate fundraising efforts to give money back into school programs by way of a grant program, foster a positive social environment for students from all communities, provide optimal nutrition to students during testing times throughout the year, and communicate to all members of the community via a parent e-newsletter and weekly news blast.

2022-23 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	351	346	97	28.0
Female	166	163	45	27.6
Male	185	183	52	28.4
Non-Binary	0	0	0	0.0
American Indian or Alaska Native	1	1	0	0.0
Asian	14	14	4	28.6
Black or African American	20	19	2	10.5
Filipino	8	8	1	12.5
Hispanic or Latino	173	171	51	29.8
Native Hawaiian or Pacific Islander	2	2	1	50.0

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data.

Rate	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Suspensions	0.29	4.83	4.27	0.06	2.51	2.70	0.20	3.17	3.60
Expulsions	0.00	0.00	0.00	0.00	0.05	0.05	0.00	0.07	0.08

2022-23 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	4.27	0
Female	1.81	0
Male	6.49	0
Non-Binary		
American Indian or Alaska Native	0	0
Asian	0	0
Black or African American	0	0
Filipino	0	0
Hispanic or Latino	5.2	0
Native Hawaiian or Pacific Islander	0	0
Two or More Races	7.89	0
White	3.16	0
English Learners	7.41	0
Foster Youth	0	0
Homeless	0	0
Socioeconomically Disadvantaged	6.25	0
Students Receiving Migrant Education Services	0	0
Students with Disabilities	5.97	0

2023-24 School Safety Plan

HTMMA reviews and updates its Comprehensive School Safety Plan (“CSSP”) and Confidential Site Emergency Response Plan (“SERP”) annually.

The CSSP is shared with students and families online via the HTH website at www.hightechhigh.org. The CSSP and SERP are shared with staff at the beginning of the school year, and the emergency policies and practices outlined in the CSSP and SERP are shared with students throughout the year during practice drills.

The plan includes policies and procedures addressing topics such as: disaster preparedness; crisis response; mental and physical health; earthquake emergencies; school learning environment; discipline, suspension, and/or expulsion; hate crime reporting; child abuse reporting; release of a pesticide or toxic substance; and more.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	32		6	1
Mathematics	28		8	
Science	28		8	
Social Science	32		6	1

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science	26		8	
Social Science	26		8	

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	28	0	8	0
Mathematics	28	0	8	0
Science	28	0	8	0
Social Science	28	0	8	0

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	0

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	2

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$11775	\$2994	\$8781	\$59622
District	N/A	N/A	\$10758.00	\$90,641
Percent Difference - School Site and District	N/A	N/A	-20.2	-37.9
State	N/A	N/A	\$7,607	\$87,885
Percent Difference - School Site and State	N/A	N/A	28.4	-35.5

Fiscal Year 2022-23 Types of Services Funded

High Tech Middle Media Arts offers a preparatory curriculum that supports students in finding success in the UC A-G coursework that they will take in high school in preparation for college admission. This includes an integrated math and science class, a humanities class, an arts class (exploratory), advisory and x block (electives) daily. During these courses, all students have access to technology to complete their school work. During X Block, students have opportunities to get involved with activities such as technology and multimedia, football, soccer, rock climbing, exploring other cultures, and academic coaching for struggling students. In addition, students are able to go on field trips and attend camps and retreats. HTMMA also offers a comprehensive before and after school program.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/csl/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$50,743	\$55,550
Mid-Range Teacher Salary	\$77,105	\$80,703
Highest Teacher Salary	\$107,402	\$109,418
Average Principal Salary (Elementary)	\$145,885	\$137,703
Average Principal Salary (Middle)	\$151,051	\$143,760
Average Principal Salary (High)	\$164,119	\$159,021
Superintendent Salary	\$375,000	\$319,443
Percent of Budget for Teacher Salaries	32.34%	30.35%
Percent of Budget for Administrative Salaries	4.66%	4.87%

Professional Development

Professional development is an important facet at HTH schools. Dedicated time to hone one's teaching practice is incorporated into each teacher's work year, per their contract, and takes multiple forms:

- **Staff days:** Veteran staff return to school 8 days before school starts. There are also 5 staff days throughout the year plus 2 additional staff days at the end of the year. Staff days are an opportunity for teachers to learn from one another, built on the belief that "we have a lot of expert knowledge right here in our building."
- **New Teacher Odyssey:** Prior to the 8 staff days for veteran teachers, teachers new to HTH participate in a 5 day "Odyssey." During Odyssey, teachers experience project based learning as learners themselves, engaging in a Project "Slice"; a shortened version of a project with the key components.
- **Weekly Meetings:** Teachers arrive one hour before school starts to engage in collegial dialogue. Meetings occurs at least 3 days per month. In practice, these meetings serve as a theoretical context for veteran and new teachers to reflect on and refine their day-to-day practice. These meeting enable teachers to collaborate, analyze data, plan projects, and tackle dilemmas. Teachers also meet for extended half-day professional development in the afternoon.

It is worth noting that, as part of the HTH charter management organization, HTH teachers receive additional professional development support through the HTH Credential Program and the HTH Graduate School of Education.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	15	15	15
