Recommendation(s):

Staff recommends that the Board approve the 2024-2025 Reports for Proposition 28 Arts and Music in Schools (AMS) Funding.

Summary of Previous Board Action by Board of Directors of High Tech High:

On September 4, 2024 the required 2023-2024 annual reports were approved by the Board.

Summary of Key Issue(s):

On November 8, 2022, California voters approved Proposition 28: The Arts and Music in Schools (AMS) Funding Guarantee and Accountability Act. The measure required the state to establish a new, ongoing program supporting arts instruction in schools beginning in 2023–24.

The legislation allocates 1 percent of the kindergarten through grade twelve (K–12) portion of the Proposition 98 funding guarantee provided in the prior fiscal year, excluding funding appropriated for the AMS education program. Local educational agencies (LEAs) with 500 or more students are required to ensure that at least 80 percent of AMS funds to be expended are used to employ certificated or classified employees to provide arts education program instruction. The remaining funds must be used for training, supplies and materials, and arts educational partnership programs, with no more than 1 percent of funds received to be used for an LEA's administrative expenses.

The attached reports for the preceding school year 2024-2025 are required annually for the Board to approve with the following information for each school:

- The number of full-time equivalent teachers, classified personnel, and teaching aides
- The number of pupils served
- The number of school sites providing arts education programs with AMS funds

See attached reports.
